

**Lyndale Neighborhood Association  
Environment Committee  
Meeting Minutes  
September 5, 2024**

**In Attendance:**

Lisa Lewis	Andrea Holz	Christina McHenry
Holly Reckel	Denise Herkenhoff	Trish Lundberg

**Litter Outta Lyndale: September 14 at 10 am.** Joseph will open the building and hand out supplies, which Holly has ordered. It is recommended that efforts are focused on Nicollet Avenue, at least the portion in Lyndale, in preparation for the Open Streets event.

**Open Streets Event:** Discussed the sign up sheet.

**October Environment Committee Meeting:** To comply with the terms of the grant, the Environment Committee will host a discussion of the benefits and barriers to re-using or fixing used items. Staff will be responsible for publicizing the meeting.

**2025 Work Plan:** Will be discussed at November meeting. Currently we intend to have a plant sale, support Litter Outta Lyndale, and provide maintenance to the gardens at the LNA building. Planning a garden tour for 2026. Considering the possibility of supporting an energy conservation meeting at a community meeting if we can find a vendor/provider.

If there are other projects/activities that you are interested in, please come to the November meeting.
